Ties remaining after a match of rounds will be broken by matching individual hole scores in descending order, beginning with the 18<sup>th</sup> hole from the contestants last completed round on the Host Course or such course as designated by PGA TOUR. PGA TOUR reserves the right to periodically re-evaluate Qualifying Tournament members in 2023 and to reorder the ranking based on competitive performance during the 2023 season.

Access to Korn Ferry Tour cosponsored tournaments is initially determined by a player's finish position at the Korn Ferry Tour Qualifying Tournament and is subject to change as a result of periodic reorder, which benefits those players who perform best. Players who earn conditional status for the 2023 season (finish after the fortieth (40) and ties position) may have limited access to Korn Ferry Tour tournaments. Korn Ferry Tour Qualifying Tournament Final Stage contestants that are eligible to join the Korn Ferry Tour are not guaranteed that their eligibility ranking will provide access to a Korn Ferry Tour tournament.

**C. POSTPONEMENTS AND CANCELLATIONS**

If in the judgment of the on-site PGA TOUR Official or designee, whose decision shall be final, conditions render commencement or continuation of tournament play inadvisable, play shall be postponed until such time as the PGA TOUR Official or designee determines that such weather conditions or other occurrences or conditions have improved sufficiently for play to commence or resume.

In situations involving adverse weather conditions or any other occurrence or condition the first priority is the completion of three rounds of a Pre-Qualifying Stage or four rounds of a First, Second or Final Qualifying Stage. Every effort will be made to achieve this by the end of the last scheduled competitive round day which may include playing more than one round in a day.

Pre-Qualifying Stages are “official” for purposes of determining those that qualify for the next Qualifying Stage if at least two rounds have been completed.

First and Second Qualifying Stages are “official” for purposes of determining those that qualify for the next Qualifying Stage if at least two rounds have been completed.

The Final Qualifying Stage is “official” for purposes of determining the Korn Ferry Tour Membership categories described in Section VIII of the Application to Enter the 2022 Korn Ferry Tour Qualifying Tournament if four rounds have been completed.

In the event three rounds at a Pre-Qualifying site cannot be completed by the end of the last scheduled competitive day, the next priority will be the completion of two rounds by the end of the last scheduled competitive day. In the event two rounds at a Pre-Qualifying site cannot be completed by the end of the last scheduled competitive day, play may be extended beyond the last scheduled competitive day only enough to complete the required number of rounds to become “official”. A round at an “official” Pre-Qualifying site will not be started if it cannot be completed by the end of the last scheduled competitive day.
